Eric Kanterman, Director of Store Operations  
Waldbaum's  
c/o Great Atlantic & Pacific Tea Co.

Montvale, NJ 07645

Dear Mr. Kanterman:

Our office and family members have had numerous questions asked of us by Village residents, specifically “when is Waldbaum’s going to start remodeling their store?”

We recently hear, employees tell us, that the Village is holding up the necessary permits. Now we both know that this is not the case.

What I would like to know is Waldbaum’s going to remodel in the near future? The Board of Trustees would like to give a positive answer to the many inquiries, plus, in my opinion, the Village residents deserve to shop in an up-to-date store.

Thank you for any information that you can relay to us.

Sincerely,

Conrad W. Teller, Mayor
